

Guest Lectures on

The Microbiome Matrix:

Small Bugs, Big Problems

“Advancing metagenomics for human health and diseases through computational and integrative approaches” by
DR. SANDIP PAUL

“Impact of the gut microbiome on organ protection via SGLT2 inhibitors” by
DR. UMESH GAUTAM

DR. SANDIP PAUL

Associate Professor
Systems Biology Informatics Lab
JIS Institute of Advanced Studies
and Research (JISIASR), Kolkata

DR. UMESH GAUTAM

Scientist,
Helmholtz Munich
Germany

Venue : JCMLRI Seminar Room(3rd Floor), IILDS

Time: 11 am to 1 pm
Date: 14th October, 2026
